# “HEPATITIS TRAIN THE TRAINER” WORKSHOP

**Date: 12/06/04**

**Time: 9:00am—4:30pm**

**Loretto Hospital-Auditorium  
645 S. Central**

**No Fee-registration  
required**

**Pre-register by: 12/01/04**

**This 1-Day training will provide background and rationale for viral hepatitis prevention and integration into current HIV prevention and education activities.**

**The workshop will include a review of basic facts on hepatitis A and B and more in-depth information on hepatitis C. Hepatitis in special populations and issues of co-infection with HIV will also be discussed. Hepatitis integration into HIV education and prevention activities will be explored and resources identified. Audience participation and activities will focus on relating hepatitis to current prevention work.**

**At the end of the session, participants will be able to:**

- 1) Review facts about hepatitis A, B, and C viruses**
- 2) Describe integration of hepatitis prevention into prevention activities**
- 3) Highlight hepatitis prevention in special populations, e.g., corrections, MSM, IDU and the importance of hepatitis prevention in minority communities**
- 4) Discuss issues of co-infection with HIV/HBV/HAV**
- 5) Describe hepatitis treatment**
